

We wish our readers a peaceful and joyous holiday season!

We will be back in January 2024.

**However, to make sure we can continue this effort, your feedback is critical!
Please share your thoughts about the newsletter by answering five questions:

We respectfully acknowledge the University of Arizona is on the land and territories of Indigenous peoples. Today, Arizona is home to 22 federally recognized tribes, with Tucson being home to the O’odham and the Yaqui. Committed to diversity and inclusion, the University strives to build sustainable relationships with sovereign Native Nations and Indigenous communities through education offerings, partnerships, and community service.
