Maricopa County Cooperative Extension  
4341 East Broadway Road  
Phoenix, AZ 85040

**602-827-8219**  
**mchamb@email.arizona.edu**

Michael Chamberland is the Assistant Agent for Urban Horticulture with the University of Arizona Maricopa County Cooperative Extension. He works with the Maricopa County Master Gardener Program and performs plant problem diagnostic work for Phoenix area homeowners and the commercial horticulture industry. Michael has worked in botanical gardens in Arizona and several eastern states. Years of work in herbaria has involved him with the Arizona native flora and the impact of invasive plant species on our environment.
