Pesticide Safety Education

MEDICAL CLEARANCE & RESPIRATORY FIT TESTING TRAINING MAY 1st Yuma / May 3rd Maricopa

Session Purpose & Outcomes

This training will focus on regulatory requirements, identifying and purchasing respirators & cartridges, training requirements, medical clearance, fit testing, and safe use of respirators. The program will prepare someone to become a **Respiratory Safety Program Administrator**, provide safety training for applicators using respirators, and provide respirator fit testing.

Approved for 4 ADA or PMD CEUs

Medical Clearance

Those who wish to be fit tested must complete their medical clearance prior to and bring their medical clearance certificate to the training.

Fit Testing

Fit testing will follow the training. Fit testing may be limited and will be provided to individuals on a first come, first served basis. If you are interested in being fit tested please RSVP to Michael Wierda via email.
